Child Care Assessment

Review Committee

We would like to thank the members of the Review Committee for taking the time to preview the *Child Care Assessment Report* and offer their insights and technical assistance. Their meticulous review, support and contributions enhanced the quality and accuracy of this report.

We appreciate their time, effort and partnership in providing Child Care Resource & Referral activities throughout the year and especially in the completion of this project.

Child Care Assessment Development Committee

The *Child Care Assessment Report* was based on information gathered from Pinellas County child care providers and parents and guardians utilizing Child Care Resource & Referral Services. The data, maintained in a comprehensive database, was extracted, analyzed and compiled by the following individuals and written for the community to use in meeting the child care needs of families in Pinellas County.
